

Minutes of the Fox Township Recreational Board Meeting October 4, 2016 7:00pm

Those present: Don Ruffner, Robin Singer, Tom Young, Terry Krishart, Roxanne Skryzpek, Ken Huey.

Visitors present: Cheryl Ruffner, Joyce Solada

Joyce Solada requested the Board consider a Trunk or treat in addition to the annual Halloween parade. The Board approved to add Trunk or Treat to the Halloween parade. Cost of Halloween Event \$672. Board designated October 30, 2016 6-8pm as Halloween night in Fox Township immediately following the Halloween Hay ride and Trunk or Treat. Volunteers needed.

Approval of minutes for Sept. mtg., Motion: Rob Singer, Second: Tom Young. Approved.

Executive Session held

FYI: Maintenance Budget 2016: \$18,500

Old Business:

Multi-purpose field was graded and rolled and is still not complete.

Playland Rubber needs discussed at budget meetings this fall. Projections \$50,000 +

Redoing Angela Huey field will take place after Soccer season is over. Will be sprayed and killed, double deep tine aerated and top dressed with PSU mix.

List of projects to be put together for this fall for Jerry to complete. Tom Young said ball fields do not need sandy loam, just regraded. All fields need aerated.

Atv trail signs for vehicles are not installed yet..

Freezer in concession stand was warm again. There was a gas leak. Was fixed and recharged. Cost \$150.

New Business:

Township wants to put in for road on lower side of Multi-Purpose field. Rec Board does not want to incur this cost at this time. Suggest if Township wants a road, then they could do so from their budget.

Rec Board was informed shale was placed for Labyrinth. Board feels costs incurred should be taken from Road budget, not Rec Board. The Supervisors agreed to replace the Labyrinth, so the Board felt it should be the Supervisors expense. Board realizes there are significant cost of repair to various items next season and are watching their budget and Capital Improvement fund carefully.

Several board members wish to meet with the Supervisors prior to the Rec Boards budget mtg., concerning what maintenance needs completed at the Park and if the Board should consider outsourcing these items.
