

Fox Township Rec board meeting minutes Tuesday August 6, 2019

Members Present: Rob, Tom, Ken, Terry, Rhonda, Roxanne

Visitors: summer employees Jenna Minard, Cathy Zimmerman, Lori Quinn

Meeting was held at the Community Park and most of it was related to the summer activities and programs put on by the staff. Park directors gave a report on the July 3rd event and stated both bingo and the inflatable bounce houses were big hits and very well attended.

Park was full and the fireworks company put on a very good show.

Other summer events were movie night, the cruise in and wheel of fortune with that being the last event of the summer. All were well attended, and the weather cooperated with us this summer for our events.

3 on 3 basketball and volleyball were held the day of the cruise in but not many teams participated.

For wheel of fortune Rob Schreiber was the MC and 21 teams participated with it taking about 4 hours to complete. 1st place was a \$1000 prize package, 2nd \$240 and 3rd was \$80. Many door prizes were also given out during the event. Dominos donated 9 pizzas for the event.

Jenna gave a report on the summer park programs with 35 kids attending being the average. Fun Friday water days were the best received of the days by the kids.

No further business so the meeting was adjourned
