Concession stand door completed per Rob.

Basketball nets at Community park need replaced. Tom Young offered to replace them.

Easter event successful, 130 kids attended.

Rubber Contractor still expected to come and look at the Playland rubber.

Gator quotes: Both companies felt transmission was bad on the John Deere. Will get quotes to possibly trade both machines, John Deere and Polaris.

Board decided again to sell the ceramic supplies.

Cheryl and Kathy attended Fox Twp Elementary PTO mtg. Schools concern was lack of supervision at other last day of school events. School suggested after dismissal for the day, in the latter afternoon the school can run a program at the park and maybe the directors can coordinate help and enhance the program.

Rec Board heard preliminary numbers from Kathy Dowie on the grant for the walking path on the Phase II of the Park. Board agreed if a grant was awarded, there would be a 50/50 match, and the amount still required after in kind contribution, would still be too much money. Board agreed not to pursue any further.

Park directors will be hired; Don would like to meet with them before starting.

The Labyrinth was discussed. Malburg Family, their son, put a Labyrinth for his Eagle Scout Project. Labyrinth was removed due to construction. Board agreed to forward to Supervisors to comment. Mike Keller said it would be discussed at the next Township mtg. and asked the Board to find a location for the Labyrinth if the Board chose to reinstall it.

Memorial Fund to be discussed in the future.

Sportman's fish derby April 30th. Rec. Board to help cook.
