Don spoke as to how well the July 3rd event went. There has been much positive feedback on how good the fireworks were. The event was well attended with the weather being perfect for the festivities.

Don spoke to Randy about renting a dozer for one week to level out the area between the township building and the community park for a multipurpose field. The 770 feet of filter sock will cost more than the dozer rental. Don suggested we have a work party for planting the area when ready.

Mike Agosti asked about locking the Angela Huey soccer field as kids were practicing on it. Don stressed that the field is a game field only. Robin made a motion to lock the field, Rob second, approved.

Don mentioned any field repairs for little league fields when they are done, will be fit in as time allows.

Discussion on another cooler for little league for next year.

Food sales at the concession stand for July were really good.

There was more discussion by everyone on the fireworks show and how well it went and how good the show was, everyone was well pleased with the company who did the fireworks.

The directors presented a list of programs currently going on at the park for the board to review.

Discussion on what was needed for the Angela Huey run and Don said he would arrange for having the fire police present. Kids available to help if needed but Ken felt he had enough help lined up.

Kathy mentioned that one more tree is needed as it is already paid for. One should be available by the far pavilion.

Property line is going to be surveyed on the far side of the park so hiking path layout can be finished.

Park Directors presented a wish list to the board for consideration. Will be looked at budget meeting.
