Halloween will be on Thursday October 31, with the hayride at 5PM weather permitting and trunk or treat and candy handout immediately following

Terry brought up that as we are pouring concrete for the new pavilions we should look into concrete pads for the bleachers for next year. The board thought this was a very good idea

Ken brought up about rec soccer wanting some bleachers for the new practice/multipurpose fields. Existing will be moved for this fall and investigate purchasing next year.

No further business so the meeting was adjourned
