

**Fox Township Rec Board Meeting Minutes Tuesday
September 1, 2020**

**Members Present: Rob, Tom, Roxanne, Ken, Terry,
Rhonda**

Visitors: Janine Breindel

Janine asked if consideration was ever given for a dog park at the park and discussion was held as there was plans for one on the original master plan for phase two at the park and as money became less and repairs of existing infrastructure took place it was never taken any further.

Talked about Main Street restrooms and the need to have the fixtures changed

Ken brought up needing some signage on the walking trail, needs to be done in the future

There was a use request submitted by Janice and Chris Schatz to use the park for a religious festival. Members had some discussion and felt it would be appropriate to ask them to scale it back to a small gathering in light of nobody else having these events at the park this year. Rob will contact next day

No further business so the meeting was adjourned
