Chairman Keller called the meeting to order and began by acknowledging the visitors.

Mark Saline asked if there were any updates on the proposed drilling on Boone Mt. Road. Randy Gradizzi replied that he did not have any new information, only that they are planning on doing a mid-grade update to the road. He believes that they have 2 wells that need fracked but that would not be done until June 2019.

Connie Dallasen stated that speed limit signs need put up on Boone Mt. so that it can be enforced properly. She also thinks the speed should be reduced to 15 MPH. Randy Gradizzi replied that the speed limit was determined to be 25 MPH for Boone Mt. Road. They cannot change it. It may 15 MPH on Fire Tower Road, but that is only for commercial vehicles. Speed limit signs were posted according to PennDOT regulations on Boone Mt. Road. If they are missing it is because someone stole them. Randy will check for missing signs.
